

'All at Number 1' Quiz

All you have to do..... You may remember last year's extremely successful quiz – 'The Television Quiz 2014' - which received over 1400 entries!!! Well, I have now created our next Annual Quiz. You will find easy, easy cryptic and easy (ish!) clever clues which, when solved, will give you the answer of a Chart Hit that reached the Number 1 slot. Simply work out the answers and write them clearly alongside each clue. Only 74% of the entrants got a 100% score in last year's Quiz!
There will be a Prize in a one-off draw from all of the entries received – regardless of the score achieved – see below

***** As usual, to make it even easier for you, I have listed all the answers overleaf *****

Cross them off when you've used them – but be careful, there are 'traps'! It's as simple as that!!

I have allowed ample time for you to complete the quiz. You will find that you pick it up, answer one or two, put it down, leave it a couple of days, pick it up again, change an answer, do two more, then put it down again. You can show it to family and friends for more help over the Half Term and Christmas break – however, I must receive your entry by the closing date which is **12 Noon on Saturday 9th January 2016!** The winner will be the entry with the most correct answers. In the event of a tie, all of the entries with the most correct answers will be placed in a hat and winners will be drawn at random. Best of luck!

I hope you enjoy the Quiz and can help us, and the Sponsors of the Prizes, to support  *Jonathan Hammond*
