**'All at
Number 1'
Quiz**

Well...it's all over for yet another year! All of the entries have been marked and the winners are being notified in the post! For those who requested a list of the answers, this is it! You can now see where you went right **AND** where you may have gone wrong **AND** if you are still struggling to see how some of the more devious and cryptic clues were worked out, please feel free to contact me by telephone, e-mail or letter and I will explain all!

I am particularly grateful to all those who took the time to write to me with such positive comments yet again and confirming the pleasure (and frustration!) that our Annual Quiz creates. We have again received entries from all over England, Scotland, Ireland, Wales, Australia, The USA, New Zealand, Cyprus and Christmas Turkey stained ones from everywhere!

The important statistic for you – *to encourage you to enter our next quiz later this year!*

Percentage of all correct entries = **74%!!!**

BUT.... THE BEST NEWS.... As a result of the donations made by many of those that entered the Quiz, we will be presenting the local branch of ChildLine with all of the **£1** AND **£2** coins AND the **£5** and **£10** notes AND the cheques from all those entrants who 'enjoyed' the quiz – the final figure is below!

Claire Campbell, the local Community Fundraising Manager for ChildLine commented: "**£1967** is a wonderful achievement and I would like to thank everyone who took part in the quiz and made a donation. Every call we receive from a vulnerable child or young person who needs support costs ChildLine £4, which means all those who have kindly donated money have helped ChildLine to answer a further **492** calls; which is amazing. The service couldn't continue running without the ongoing support of individuals and companies, which is why I am extremely pleased that Jonathan Hammond has again chosen ChildLine as the favoured charity for his Annual Quiz."

A huge thank you to all those who made a donation - you really have helped to make a difference to the lives of **492** children and young people who would otherwise have no one else to turn to and this figure includes donations from those who did not manage to complete the quiz and yet still generously gave to this extremely worthy cause.

I really do hope that you enjoyed battling away to solve the clues – and work has already started for this year's Quiz which will be ready around October time.

Quizzingly yours!

Jonathan
